The MWDA has a designated service area which MWDA may use the quantity of water MWDA is entitled to divert as set forth in Section 4. This application seeks to change the place of use to add additional lands to the service area. This application does not seek to increase the quantity of water diverted.

6.2 The application is part of the "Manastash Project" and is necessary in order to consolidate the Reed, Hatfield and MWDA diversion. The diversions are being consolidated in conjunction with a mitigation plan designed to increase instream flows in Manastash Creek.
